2 Mr. K.V. Kumaraswamy was appointed as a Probationer in the Commercial Dept in August 1946.

3 From the Civil List corrected upto 1st July 1946, it is seen that at present there are 3 permanent vacancies in the cadre of Supdts and Asst Supdts of Police. By August 1948, Mr. A. Ramaswami Ayyar and Mr Abdul Latiff, Supdts of Police will attain the age of superannuation and if they retire on that date from the date of superannuation, given effect to, there will be two more vacancies to be borne in mind.

4 Two posts of Superintendents of Police are now held by Asst Comrs of the Comm. Dept. These two officers are permanently

to the General line as already ordered (vide Fin Note dated 21-1-46) two more permanent vacancies will become available to the officers of the Department. In all there will be 7 permanent vacancies in the Police Dept. "2"

5 In August 1946, four Probationers were appointed in the Police Dept. Two Probationers who were under training in July 1948, have not yet been confirmed. Consequently six vacancies may have to be reserved for them, and only one permanent vacancy will, therefore, be left out.

6 There are 19 officers in the cadre of Asst Supts whose tenure of appointment is either "S.P.T" or "Ag". Some of them are holding the appointment of Asst Supt of Police from the year 1942.

Submitted for orders.

(Illegible 21.1.47) 7 It is not known on what date the recent probationers were appointed to the several Depts. If it is considered that there would be so many vacancies, later probationers will have to stay in each Dept & undergo the prescribed training and fill in the vacancy that occurs in that Dept or kept reserved for them.

8 If a probationer of one Dept

is to be transferred to another dept, it means that it is effected on an exchange basis or the dept to which the probationer in q[uestion], goes has to sacrifice a promotion vacancy which would otherwise go to an officer of that dept. These transfers are therefore generally discouraged as a matter of policy as otherwise it is possible that these applications for transfers from one dept to another will become common.

Submitted with reference to para 9 of the notes.

Probationers for several Deptts. were recruited in August 1946 and they have now completed six months' training in the Departments to which they were posted. Dear Sir,

With reference to your D.O. letter No.3602/C.B. dated 3-2-1947 regarding the transfer of Mr.K.V.Kumaraswami, Probationer, from the Commerce Department to the Police Department, I write to state that at least three out of the four Probationers selected to the Police Department in Government Order No.593-607/C.B.61-46-1 dated 6-8-1946 appear to be unfit for the police service in view of their conspicuously poor physique as also lack of personality which is quite necessary for an Assistant Superintendent of Police. This Department needs men of good physique and personality, since these probationers are eventually to occupy responsible positions of Assistant Superintendent of Police and District Superintendent of Police in a couple of years.

In the circumstances I would suggest the constitution of a Board with the Inspector-General of Police, Deputy Inspector-General of Police and the Public Service Commissioner to the Government as members to interview the probationers that have been recruited recently to all the Departments of Government and select such of those who in the opinion of the Board appear quite fit for the Police Service, taking into consideration their physique, height, personality, etc. Thereupon, the three Probationers now undergoing training in this Department may be transferred to other Departments where they are likely to shine better.

I request that you would be so good as to obtain orders of Government on the above suggestion.

Revered Sir,

With respects I wish to state that I had submitted a Memorial to His Highness through your goodself, eliciting my ambition and the only request to nominate Mr.K.V. Kumaraswami, B.A., my brother's son as a Probationer - either in the Revenue, Rural Development, Excise or police Department and thus bestow the benevolent encouragement.

I am highly grateful and ever loyal to His Highness' and to your goodself for responding to my ardent prayer by bestowing the probationership to Mr. K. V.Kumaraswami and posted him for the "Commerce" Department, although it was not any one of the departments aspired for in my memorial

I am therefore necessitated to submit that the main object of seeking a chance in the Government is more with a view to avail of extensive opportunities to serve the people particularly of rural area. The chance to achieve this noble object in the present cadre is rather seldom and remote and obviously Mr. K. V.Kumaraswami feels much disappointed and his enthusiasm curbed.

I beg to reiterate the fact that I have served no less than a period of 30 years in the cause and interests of the people and that of our benign Government.

So Mr. K. V. Kumaraswami, has taken up since a few years, a special liking and tendency to serve the people and in fact it is inborn in him to serve the people through the Government in more extensive - measures, particularly the village folk, from where he is hailing. Within the minimum scope he had as a member of the Mysore District Advisory Committee, National War Front, Taluk and District Advisory Committee for Rural Development and other various - Committees, he has done his best in the interest of the people and the Government. He is very popular in the rural areas and desires to be more in contact with them through the Government.

Therefore, it is my earnest prayer that a chance will be given to him to the Revenue Department preferably, where he has ample opportunities to serve the people of the rural parts and be in close contact with them, to achieve his long cherished and ever-growing desire.

I beg to be excused for this unavoidable second approach in the matter and request you to be pleased to grant him a change from "Commerce" to "Revenue" preferrably. If this is not possible I request that a change may be given to him either "Excise" or "Police" departments.

I have not approached the Government for any help nor have I any reason to approach in future beyond this only help, as Mr. Kumaraswami is the only Graduate and enthusiastic youngman of my family, in whose prospects I am highly interested.

I,

I believe that my ambition will meet with your kind sanction and ever obliged.

I beg to remain,
Revered Sir,
Your most obedient servant.

Date 1-7-46.

THROUGH:

PRIVATE SECRETARY

TO HIS HIGHNESS THE MAHARAJA OF MYSORE

MYSORE

May it please Your Highness,

With Loyal respects and humble duty towards Your Highness' August Person and Throne, I the undersigned memorialist beg leave to submit this humble representation for Your Highness' gracious consideration.

I am a resident of Kuderu, Chamarajanagar Taluk. Following the footsteps of my forefathers who have all been loyal subjects of the State, I have been serving the public for the last 30 years in various ways–as an honorary worker in several public institutions and as a member of many Government Committees.

Public service has been the motto of my family for several generations past, and the members of my family have always been in the forefront, ready and willing, to serve the public and the Government in whatever capacity they were called to serve. It is my pride and privilege to bring one of my such family member to Your Highness' gracious notice and to beseech Your Highness, for the sake of our family and for the sake of the public to bestow on him a suitable appointment in the Government. That member is my nephew, Mr. K. V. Kumaraswamy, B.A. He is the first graduate in our family. It is a matter of no small pride to the family members who were hitherto been agriculturists and merchants and have only in recent years been taking advantage of the educational facilities, so liberally provided by the benign Government to have a graduate amongst us. By his great industry, Mr. K. V. Kumaraswamy, has secured this rare distinction. The family naturally look forward to a bright future for him, and I am therefore venturing, with great respect, to beg of Your Highness to be graciously pleased to consider him for appointment as a Probationary Assistant Commissioner in the Revenue, Rural Development, Excise or Police Department. Such an act of benevolence will be a boon to the family which would be enternally grateful to Your Highness. It is no exaggeration to say that such a boon would be a favour not only to the family but also to the Veerasaiva Community.

Mr. K. V. KUMARASWAMY already has a record of public service to his credit of which the members of our family and the public of Kuderu are justly proud. He is taking active interest in the Literacy Campaign, in rural uplift work, and had taken an active part in the National War Front organization and is extremely popular with all classes of people. It is the earnest prayer of us all that our Gracious Sovereign may be pleased to select him as a PROBATIONARY ASSISTANT COMMISSIONER by nomination. It would give me personally immense satisfaction to see that he continues to serve the State and to carry on the loyal tradition of the family to new heights.

A brief note about my humble public service and copies of testimonials of my nephew are enclosed for Your Highness' gracious perusal.

Your Highness' gracious solicitude towards all classes of Your Highness' subjects is so well known that I feel confident that Your Highness would be graciously pleased to consider this humble prayer favourably.

I pray Almighty to shower His choicest blessings of health and happiness on Your Highness and the Royal Family.

I beg to remain,
May it please Your Highness,
Your Highness' most loyal, humble and
obedient subject,

(sd.) K. V. Veeranna.

This is to certify that I know Mr. K.V. Kumaraswamy, B.A., for some years now. As a student, he was always in the forefront and his popularity with the members of the staff and the students was unbounded. He was associated with a number of extra curricular activities in the College and he commanded esteem and affection of his colleagues, in a large measure.

I see him later in public life as a Member of the National War Front Organisation in Mysore and as one associated with Rural Development work in the Mysore District. He made a substantial contribution to our Effort, imbued with a real spirit of service. In matters relating to rural uplift, he identified himself with rural folk and took an intelligent and active interest in their welfare and well being.

I recommend him with special emphasis as just the right sort of youngmen to be employed for any job involving responsibility and trust. He has pleasing manners and address and comes of a respectable and influential family.

He was elected to every possible Committee (including the Students' Representative Council and the Committee of the University Union), and he was specially identified with the work of the Karnataka Sangha, of which he was an exceptionally energetic and efficient Secretary. During his college career he has been mindful of his responsibilities to his native place, Kuderu, and has served that village, as Secretary of the Karnataka Sangha (for a long period), and as Secretary of the National Front. His command of the English language is very good, and he has done a great deal also to promote and encourage Kannada studies both in the College and elsewhere. He has an excellent character, good physique, pleasing manners and plenty of initiative and drive. He has completed his course in Military Training, and he is Secretary of the National War Front in his Native place. Now, that he is leaving the College, I am sure that he will distinguish himself in a wider sphere; I recommend him with every confidence and I wish him well.

I have known Mr. K. V. Kumaraswamy, B.A., of Kuderu as a man of exemplary character. I had the opportunity to come in closer contact with him, when he was nominated as one of the Advisory Committee Members of the District National War Front, of which I was the Chairman.

He always exhibited great leadership and organising ability. He delivered series of propogand lectures to the Public and organised a Committee at Kuderu. He stimulated the activities of the National War Front in his place and under his valuable guidance, drive and leadership, the Committee progressed markedly.

He is an young and enterprising man of influence and ability and can be confidently relied upon in any responsible position.
